

BAND

At the end of the year two mace girls are picked. They lead the Band in turns where they look after the recorder players and drummers.

On Anzac Day, one girl leads the Band from the Narrabundah Shops to the Kingston-Narrabundah R.S.L. Club. After arriving, a ceremony is held where we commemorate the courageous efforts of our soldiers.

Our next item is at the Girl Guide Fete where the Band displays an item which they have thought out for themselves.

Near the end of Term Three, the Band plays for Rogers and members of the Band receive a gift which is presented to them for playing.

On Speech Night the Band performs in front of parents, members of the Staff, Mr. Murrell and the children. This is said to be appreciated by everyone.

Narrabundah R.S.L., the Girl Guides and Charles Rogers invite the Griffith School Band each year to perform for them and we are very happy to do this. In addition to these activities, we play each day at 1.30 when the children march into school.

This year the Band consists of the following members:-

Lindy Snowie (Leader);	Julie Martin (Leader);
Tania Dickinson (Base Drummer);	Debbie Wall (Side Drum);
Susan Robertson (Side Drum);	Kerry Whyte (Side Drum);
Helen Braithwaite (Side Drum);

On Saturday, 18th September, 1971, the School Band played at the Girl Guides' Fete held at the Prime Minister's Lodge. Lindy Snowie (Mace) made up an item for the Band to perform. The item consisted of counter-marching, cross-marching, snakes and strawberry pie. I played the Base Drum and have been in the Band for a year. I think it is a great honour to play for Griffith Primary School at functions such as the Anzac March held at the Kingston-Narrabundah R.S.L. Club, and the Girl Guides' Fete held at the Prime Minister's Lodge.
