Dear Mr Lynch

Thank you for your email of 31 May 2013, with the two submissions about transport planning along Canberra Avenue.

Your request for segregated facilities along Canberra Avenue was considered and you will be pleased to know it is included in the Canberra Avenue bus priority works commencing late 2013. This work includes an off-road cycle path between Whyalla Street and Ipswich Street for commuter cyclists.

I note your concerns and suggestions regarding the placement of bus stops for the Red Rapid and have asked the Territory and Municipal Services (TAMS) Directorate's Network Planning and Development team to consider them for future planning of the Red Rapid route.

You may be interested to know that TAMS is currently reviewing its design standards and I have asked them to pay particular attention to standards that will improve cycling, walking and 'age-friendly' outcomes for Canberra.

Thank you for taking the time to make submissions on the Canberra Avenue works and I hope this information is of assistance.

Yours sincerely

Shane Rattenbury MLA  
Minister for Territory and Municipal Services
