Subject: Proposed Fyshwick Waste Transfer Station
Date: Monday, 4 June 2018 9:42:27 PM

Hello to whom it may concern,

I have serious concerns about the proposed Fyshwick Waste Transfer Station. There is a child care centre in this area and I am worried about the potential health risks and pollution this station will cause to people and the environment. I would hope you would please consider the health of vulnerable children, adults and wildlife this station may effect in the long term.

Kind regards
