**Subject:** Opposition to Fyshwick Waste Management Plant  
**Date:** Tuesday, 5 June 2018 7:34:14 PM

---

Hi All,

[REDACTED] I am a resident of Narranundah. I am opposed to the proposal of the Waste Management System to be established nearby in Fyshwick.

My opposition to this is based on the following key points:

- I am an asthmatic. Potential air pollution (including ash) has a likelihood of causing asthmatic attacks.
- My daughter, who lives with me, has a chronic illness which impacts her immunity. I am concerned about additional pollution surrounding our neighbourhood - This is not just limited to the waste plant itself but also the increased traffic flow that will come through to support the plant.
- I am also aware of some neighbourhood children with severe medical conditions that will be impacted by this.

Thank you,

[REDACTED]
