MINUTES

Item 1. Welcome and acknowledgement of Country.

Tony opened the meeting with an acknowledgement of Country, in his Wiradjuri language, wishing to acknowledge the Ngunnawal people and nation on whose land this meeting is held – and paying respects to their elders past and present.

Item 2. Previous minutes and matters arising from the previous meeting.

Andy moved that the previous minutes be accepted, with no amendments (seconded by Victoria).

Andy will provide a follow up letter to TCCS representatives following December's meeting regarding proposals to make Sturt Ave more pedestrian, cycle and public transport-friendly.

Andy will look after the booking system for the second court. There needs to be a second calendar and email account.

Victoria will get a lockable water meter for the garden.

Site management plan: Andy needs a maintenance schedule for managing the courts.

Item 3. Preparations for the ONCC festival on April 2nd.

Bronwyn will co-ordinate marketing. An A4 poster will go on notice boards around the area.

Lisa will take charge of the letter box drop of a flyer. John said that this is usually done 10 days before the event.

Andy and Roanna will start at 8 am on April 2nd to co-ordinate setting up of stalls. Bronwyn will supervise packing up.

There will be a table at the festival with free masks, hand sanitizer and a flyer explaining ONCC activities with one para each on tennis, gardens, wetlands and ONCC membership. Andy will produce an additional flyer on tennis activities including tennis coaching by Mike Nolan who, unfortunately, won't be able to attend the festival.

Vegie store and vegie sausages. Victoria will decide on what is workable.

Andy will follow up with the Griffith butcher as well as on a coffee stall and soft drinks.

John Keeley will do a site plan once he knows who is attending.

Bronwyn will contact Lance to get all necessary information on the ONCC home page.

Item 4. Wetlands.

Sarah reported on forthcoming working bees for the wetlands: Friday mornings 7-8 am, Sunday mornings 10-11 am. There should be more tree planting in the autumn. Sarah will provide information about the Wetlands to Bronwyn to be put on the ONCC HP.

John praised and congratulated Sarah and Belinda on the work they have been doing for the wetlands. His words were supported by all present.

Item 5. Finance.

John reported on finance.

Thereupon the meeting was closed.
